Shiruim suggestions

I hope this is appropriate for this forum. I have a hour commute each way. Instead of listening to garbage on the radio, which even clean stuff like the news has triggers sneaking in, I want to start listen to Torah I can download on my phone. B"H chizuk and mussar there's plenty available all over the place. But I want to also listen to stam Torah. Ideally I'm looking for an ongoing shiur series that goes through a sighuah, maybe one that is Albah d'Hilchasa that's up to an hour and in English. Any suggestions?

Definitely appropriate. It's the Beis Medrash Forum after all. Your resolve is greatly commendable. May you be Matzliach.

Check out, Torah Anytime, Kol Haloshon, YU Torah, OU Torah, The Shmuz, etc... There is so many English Shiurim available.

p.s. YUTorah is probably what you are looking for. The shiurim are set up in series's and there is a Contemporary Halacha series, as well as a 20 Min Halacha class, as well as advanced classes in Halacha.
