

Still Alive

Posted by poshut yid - 09 Oct 2009 18:10

It has been a while since I have posted but the main reason for that is because my filter (k9) blocks me and I have not had it changed to my white list!!

B"H I am still alive and well. I have definitely had and have my challenges but I am pleased to report that Bli Ayin Harah, I am on day 37!!!

The emes is I do not know how to get on to the charts to post that so if someone can let me know I would appreciate it.

Wishing everyone a Good Yom Tov.

37 days wow, almost at 40 , 40 is a big #, when chazal would hear something they enjoyed , like a chidush , something that changed them. They would repeat it 40 times (Rav Noach Weinberg Zecher Tzadik Levracha-Shiur), once you hit 40 , which hopefully you will, you'll be a completely different person.

Good Luck

Be strong
