

Reaching 90 days of no touch,mz”L,& porn!

! I’m hoping to reach my goal of no touching my  
and I  
will talk about day to day how my life is and the challenges that come up bezH... for anyone who  
saw my other thread ... I’m gonna be taking a “break” in my relationship ... so I’m adding no  
touching my girl for the next 90 days since even though I’m taking a break the yetzer hara  
and she also lives in the neighborhood so things can come  
up and it can be challenging and my porn struggle I’ve had a few year history with it... I’ve  
made nedarim and had long stretches clean for many months I’ve recently had a fall which led  
to fall(s) for a couple weeks now and I want to get back on my feet again... This stuff means a  
lot to me I paid close to 2 thousand dollars paying off kenasim that I made against porn and  
mz”L but besides that... I was very matzliach Bh!!!!!! Those clean months are worth way way  
girlfriend for 90 days no m”zl for 90 days and no porn for 90 days... this will be my chart  
more then 2 thousand dollars! (Anyone who wants tips I have a lot of good strategies that help)  
so I’m starting again aiming for 90 days of these 3 inyanim.... hoping everyone can be the  
support in the time of need Thanku all!!!!!!!

Hi S.A.E!

Welcome back!

These are all great things to work on.

It is a big step and i am sure all on GYE have your back through the ups and downs.

So the plan is to take a 3 month break from your girlfriend? What is your plan after 3 months?  
Wouldn't you just be back to square one?

Am I understanding this right?

Hey, I'm thinking that to think about the first 90 days for now then to move up and up from there  
bezH... I'm just thinking now like a goal to make then to move to the next goal bezH...

like to now think of 90 days and then another and another... bezH and then I'll have the motivation that even through the times that an unfiltered computer pops up and I meet my relationship in mind for the near future bezH... it will happen but at least I'll have the motivation not to touch etc and not to fall with porn etc... if I have that motivation of days clean already etc...

dear [Shtarkandemotional](#)

If I may give a bit of advise from a nobody.

Please get a good filter.

I have techloq. If you call the monsey office speak to aron frand. He is a tzaddik and he will help you install the best filter for your computer and smartphone. If you could get rid of your smartphone that would be even better. You are in Yeshiva, you really dont need the distraction.

When you say modeh ani in the morning ask Hashem for today to be clean. Dont ask for tomorrow or yesterday ask for today.  
girlfriend it will happen within the next 2 years

Hatzlacha.

S.A.E.

You are literally Yosef Hatzadik - in the plainest sense of the word.

This will sound bad and **hashkafically corrupt**, but (I am married now, so my nisyonos pale compared to yours, and so) **I truly envy your nisayon!!**

?Your schar is incomprehensible, brother.
