i never felt scared to do these things i always wanted to eliminate these things because it wrecked my inner peace like the goyim want to rectify it..... but never i felt it as a real MUST!!!!!!

B"H you found something that worked for you. I hope it can work for others as well.

Just one point, I would say it's not "sugar coating" .. it's the truth.

?We live in a time when the nisyonos are so big so when someone does the smallest thing to keep strong, the nachas ruch to Hashem is beyond comprehension.

I hope you keep on growing and stay strong!

Yooooo

I just finished watching the whole thing. Powerful stuff! The best part is it gives a lot of practical advice for doing teshuva for the aveira of zera levatala.

PS. @lee1999, by sharing this movie here, you were just mekayem one of the greatest teshuvos R' Reuven brings down of doing kiruv and helping others do teshuva. Shkoyach!
