Welcome! Your motivation is amazing and Hashem will definitely help you get to 90 and beyond...

I would like to give one tip if I may and that is to be proactive. As they say, "If you fail to plan - you plan to fail". The yetzer horah rarely tries to fight us when were doing well, he looks for opportunities when we're down and out or caught off guard. When we are tired, moody or stressed....

Take a paper and write these questions with your answers.

- The changes I want to make are:
- The most important reasons why I want to make these changes are:
- The steps I plan to take in changing are:
- The ways other people can help me are:

(names of some people and the possible ways each one can help)

- I will know if my plan is working if:
- Some things that could interfere with my plan
- How important is it to me to make these changes? (1-10 scale)

- How confident am I that I can make these changes? (1-10 scale)
