At Day 23 but alone and bad thoughts are coming Posted by Mynewresolution - 15 Apr 2022 00:17 Hi. I am struggling right now. I am at day 23 and struggling now because I am feeling extremely tempted. I don't know what to do right now or what has helped you in these states but any help is appreciated. I am panicking because I feel like I'm on the cusp of breaking like I'm not strong enough to resist. ==== Re: At Day 23 but alone and bad thoughts are coming Posted by Vehkam - 15 Apr 2022 00:28 Do you have someone you can call? Where are you? ==== Re: At Day 23 but alone and bad thoughts are coming Posted by Mynewresolution - 15 Apr 2022 00:42 I'm at home. That's a really good idea. I will call a friend.
